COCKTAIL ATTIRE REQUESTED

DEAR FRIENDS OF THE MUSEUM,

Please join us for the 14th Annual Museum After Dark, on Friday, June 14. This magical evening at the Denver Museum of Nature & Science will feature our strolling dinner format, exquisite culinary creations, and hands-on encounters with nature and science. Museum After Dark brings together an opportunity to support our programs and to delight your senses with great food and science experiences.

Museum After Dark sold out in 2018, so we encourage you to secure your sponsorship now. Individual tickets will go on sale in early May.

Your support of Museum After Dark will make science accessible, inclusive, fun, understandable, and meaningful for youth and families all over Colorado and beyond. Together, we are inspiring future innovators, explorers, and problem solvers—the workforce of the future.

We look forward to seeing you at Museum After Dark 2019.

Thank you for your consideration.

John and Katie Levisay & Anne M. McCarthy
Co-chairs, Museum After Dark 2019

YOUR SPONSORSHIP WILL

- engage and entertain your guests, clients, or employees with a unique and memorable Museum experience.
- elevate your company's visibility through our various recognition benefits.
- support a world-renowned Museum and reinforce the importance of Science, Technology, Engineering, Arts, and Math (STEAM).
- create opportunities for community members to actively explore nature and science.
