

CHILDREN'S BIRTHDAY PARTIES

Options

The Denver Museum of Nature & Science offers one of the region's most distinctive settings for receptions, weddings, corporate meetings, holiday parties, and convention events .

Custom menus and event concepts are available.

The Museum's Catering and Event Services is the exclusive caterer of the Museum.

For more information, please contact an Event Sales Consultant at 303.370.6400.

CATERING EVENT SERVICES

**Thank you for hosting your birthday party with us here at
The Denver Museum of Nature & Science! You are helping to support
scientific research and educational opportunities in our community and abroad.**

Birthday party space is subject to availability and should be booked at least two weeks in advance.

To reserve your party, please fill out the request form and return it to CateringandEvents@dmns.org. Once received you will be contacted by a Museum representative to collect payment information. You'll be sent a confirmation agreement to be signed. A 50% deposit is due at time of initiation. This payment is non-refundable and non-transferable. The remaining balance is due 3 days prior to the party based on final confirmation in number of guests. Room set up and catering will be adjusted based on these updates. If you cancel less than 3 days prior to the event, the entire amount is due. If the party is canceled because the Museum is closed for any reason, your party will be rescheduled or payment refunded, at your choice.

*Credit card information will be kept securely on file until final payment has been processed and then destroyed.

When you first arrive at The Denver Museum of Nature & Science (DMNS), please proceed to the Ticket Scanner and check in. There will be an envelope with your names on it. You will take any tickets that are for special shows or exhibits with you to hand out to your guests. As party guests arrive, they can also go directly to the Ticket Scanner and let them know they are here for your party. They will be given a wristband and directed to the party room. All party attendees must wear their wristband in order to enter or re-enter the museum.

Guests using their memberships to enter must enter as one party – all together. Guests without memberships or guests checking in beyond the number of wrist bands provided, will be asked to purchase admission before entering the building.

Room will be ready with confetti themed plates, cups, and napkins, along with colored tablecloths, and activities provided by DMNS. All other activities, games or decorations need to be pre-approved and noted on the party confirmation. **No candles or flammable materials of any kind are allowed. Balloons or inflatables of any kind are not allowed, including arches or decorative balloons. We also cannot allow confetti, glitter, pinatas, or silly string on Museum property.**

Guests will have access to the private room up to 30 minutes prior to the party time. Guests may explore the building until the end of the day when we close.

Leftover food may be boxed to go, but must be taken out of the room at the end of the party time.

DMNS will not store, handle, or take care of any gifts brought to the birthday party and is not responsible for any lost, forgotten, stolen or damaged items.

You'll be given a 15-minute reminder when the party time is ending.

Please have a great time and don't forget to fill out our follow up survey at the end of the day!

Thank you again for celebrating with us here at The Denver Museum of Nature & Science!
